

Randy was born in Alameda, California and was raised in a family that valued the importance of environmental activism. From a young age, he was passionate about politics, the environment, and social justice. Randy went on to graduate Summa Cum Laude from University of Oregon, in 1990, with a degree in Political Science.

While in Oregon, Randy was an elected City Councilor in Eugene, Oregon, and worked as Director of Legislative and Community Affairs at University of Oregon. He is remembered there for his leadership in successful efforts to restore state funding for public higher education, and for winning voter approval of funding to build and improve local fire department facilities.

Randy returned home to California in 2000, settling in scenic Comptche, California, in the heart of Mendocino County. Always a steward of the environment, Randy planted 2,800 redwoods on his 50 acres to aid its return to the natural conifer forest it once was. He served on many committees and boards of groups fighting for action on climate change, including as Chair of the Redwood Chapter of the Sierra Club's Climate and Energy Committee. In his professional work, he served as partner/owner and COO of a successful online business offering continuing education for health care professionals.

Randy's community service was both deep and broad. Randy advocated in Washington, D.C. for all rural communities to have high speed internet connectivity, and he succeeded in bringing this to Comptche in 2009. He was an active volunteer with the Comptche Volunteer Fire Department for twenty years, still holding the position of Safety Officer at the time of his death.

Randy is survived by his wife Janis, stepson Jonathan, father James and his wife Carol, siblings Charlotte, Gail, and Mark, stepbrother Rande, and stepfather Ed, five nieces, and one nephew.

Madam Speaker, I respectfully ask that you join me in extending condolences to Randy's family and many friends, and in expressing our deep appreciation for Randy's extraordinary dedication throughout his life to the betterment of our natural environment and the broader community.

HONORING ADEOLA "ABRAHAM"  
OLAGBEGI

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 2, 2021*

Mr. THOMPSON of Mississippi. Madam Speaker, I rise today to honor a remarkable public servant, Adeola "Abraham" Olagbegi from Jackson, Mississippi.

After a successful bone marrow transplant in November 2020, Adeola Olagbegi was given a chance to Make-A-Wish. Instead of wanting something a typical 13-year-old fighting cancer may ask for, he used his wish to start something bigger than himself.

Mr. Olagbegi chose to use his wish to feed the homeless for a year in his hometown, Jackson, MS. Before being diagnosed with Aplastic Anemia, a rare and life-threatening blood disorder, Mr. Olagbegi and his family looked forward to feeding the homeless every

third Saturday in every month. This service to the community is known as "Abraham's Table." "It was always a good thing to do, and that's what I grew up doing that, so I go back to my roots to do what I was taught to do."

"I am a person of hope, so when you come against a big mountain, you have to remember you have a big God." Mr. Olagbegi is a living testimony that if you pour out good unto God's people, God will turn around and bless you beyond measure.

After 10 months of "Abraham's Table", Mr. Olagbegi hopes to turn his wish into a non-profit organization that will continue to impact the City of Jackson for the better. Since the beginning of Abraham's Table, Mr. Olagbegi has fed over hundreds of homeless citizens.

Madam Speaker, I ask my colleagues to join me in recognizing Mr. Adeola "Abraham" Olagbegi for his dedication to serve the homeless for years to come.

COMMENDING THE LEADERSHIP  
OF DAN FINCH

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 2, 2021*

Mr. BURGESS. Madam Speaker, I rise today to commending the leadership of Dan Finch, Texas Medical Association Vice President of Advocacy, upon his retirement after 39 years of exemplary work on behalf of patient care and the physician practice of medicine.

Daniel "Dan" Thomas Finch was born on November 16, 1952, reared on the outskirts of Washington, D.C., the eldest of seven children, and the son of a Navy veteran. He moved to Texas in 1982, to work for the Harris County Medical Society before heading to Austin in 2006 to join the public affairs advocacy team of the Texas Medical Association.

Dan's commitment to hard work and serving others began early in life in Catholic school as an altar boy and later with his first job out of University of North Carolina as a bus driver. These early life experiences molded Dan's leadership, communication, and navigation skills which serendipitously led him into a medical association communications position with the North Carolina Medical Society, and then a brief stint with the American Medical Association in Chicago, before heading to Houston where he began a 24-year stint with the Harris County Medical Society, and eventually to Austin where he has served the past 15 years with the Texas Medical Association.

Dan's rapid trajectory and success professionally in the field of medical association communications and advocacy was matched only by his private life as a Renaissance man who developed keen interests as a guitarist, singer, photographer, golfer, motorcycle enthusiast, world traveler, cigar aficionado, Astros baseball fan, home gardener, and outdoor grill master.

Dan has been equally well grounded as a dedicated husband to his loving wife, Becky, for the past 41 years, as a caring father to their daughter, Liz, and son, Nate, and as the loving "Pops" to all of his grandchildren. He has offered his many talents to the community, including being a member of his church band in Houston which performed every Sunday in their Hawaiian shirts. His respect

among his working peers, his dedicated service to the more than 53,000 member physicians in the Texas Medical Association, and his public affairs accomplishments in both the Texas Legislature and in Congress led to his ascension as Vice President of Advocacy for the Texas Medical Association.

Texas is a better and healthier State in part to Dan's steadfast commitment to the highest standards and quality of patient care in Texas, protections for physician autonomy in caring for their patients, common sense health insurance reforms which put patients before insurance profits, and medical liability protections which prevent lawsuit abuse.

Dan's most memorable advice to his younger colleagues was, "A doctor long ago told me if we do what's right for patients, we'll do what's right for physicians, and that's always been my guiding light."

Dan and Becky are now replacing the rolling Texas Hill Country of Austin with a retirement home closer to their grandkids in the rolling hills of Manhattan, Kansas (which is much preferable to that other Manhattan).

I ask that my fellow Members join me in saluting the life, work, and accomplishments of Daniel "Dan" Thomas Finch, on behalf of the Texas Medical Association, for a healthier Nation. I am humbled to formally declare Dan a "great American" who has earned his retirement spurs and a "great Texan" (even if he's not in Texas anymore).

Mr. GIMENEZ. Madam Speaker, I rise today to honor the life and legacy of Key West's former First Lady, Cheryl Cates.
